NOTES OF THE TURF.

Birmingham, Ala., is to have a two weeks' spring meeting under the management of Walter & Hayden. The firm held a clean and concise meeting at Birmingham last spring.

An English expert says that the horse Montauk, formerly the property of Mr. Richard Croker, is undoubtedly the best newcomer in hurdle racing in all England. He added that the horse is worth ten times the price Mr. Croker charged Mr. Sibary for him. Montauk is a chestnut colt 4, by Strathmore—Spinaway.

NEW ORLEANS RACES

A trainer of experience—and has a stable of horses at this track will send reliable information to subscribers at \$10 per week in advance. Out of twelve selections sent from the recent Lexington meeting, nine were winners.

Address,

F. ELLSWORTH,
Reference Racing Form Lock Box 809,
New Orleans.

The American Sporting Manual

A YEAR BOOK AND COMPENDIUM OF RECORDS

The Manual will be: A Book for the Pocket.
A Book of Authority.
A Comely Book. A Cheap Book.

It will contain all general sporting records in use. All American Turf Records. All American Track Records. A twenty-page history of all the prize fights and boxing matches of 1896, from January 1 to December 31, 1896. Two handicap tables; one reproduced from the American Racing Manual, and a new one of even sharper application to racing, never before published.

The Manual will contain the 1896 figures of Baseball, Aquatics, Football, and Athletics in general—racing, trotting, pacing and all departments of sporting. Within The Manual's covers will be 100 pages of pure sporting figures.

The American Manual's handicap tables alone are such as have been usually sold at \$50 and \$100 each. With them are published explanatory keys and three races which have been run and to which the figures have been applied. These keys show horses, estimate of ability on past races, figures on the race to be run and their position in race to which figures were fitted.

Table No 2 is entirely new. The track records and time estimate in the book are the result of nine months daily work of five experienced men.
